After watching the Powtoon Tips and Tutorial videos, use Powtoon to create a presentation that shares with the class a few things about yourself. **Your Powtoon should be at least 5 slides in length and be between 1-2 minutes long.**

-Go to [powtoon.com](https://www.powtoon.com) and register as a student with a free account using your student Google account

-Click on "Create" and choose a presentation style - Make sure it does not say PRO+

-You can choose to use a "Blank" template and create your presentation from scratch or use a pre-made template.

Slide #1 should be your title slide. This should include your first and last name.

Ideas for what you can share on your additional slides:

- Where you work
- Pets you have at home
- What you did this summer
- What you want as a career after high school
- What college you want to attend
- Favorite hobbies/pastimes
- Favorite sports team(s)
- Favorite movies/shows/video games
- Any video experience you may have or want to have in the future
- Favorite musical artist(s)/song(s)
- Favorite classes at school
- Anything else about yourself that you are comfortable sharing with the class

Remember to make your Powtoon as visually interesting as possible!!!  
You will eventually be sharing a link to your Powtoon with the class!

Once completed...

1. Make sure you have no "PRO" elements in your presentation
2. Click "Publish"
3. Click "Share Link"
4. And email the link to [eshaferoe@olatheschools.org](mailto:eshaferoe@olatheschools.org)
