Participation Requirements:

Theatre classes demand 100% participation. Therefore, participation weighs heavily on your grade. Each student can earn a possible 5 points daily for participation. Lack of participation will result in a zero for the day/project. Students will be pro-rated for excused absences. However, performances cannot be missed.

Students will be required to see **two live stage** productions during the semester. These productions must be Olathe East's, Winter Musical: *Mamma Mia!* and Spring Play: *The Foreigner*. Students are expected to purchase a ticket. Any student who cannot purchase a ticket may see the performance for free by volunteering to usher. If you are unable to attend the shows above, you may see the *Senior Showcase* and/or *Olathe East Live* to make up credit. Students will need to complete a Performance Critique for each show in order to receive full credit. Save the dates for...

- Winter Musical: *Mamma Mia!* – February 3rd, 4th, and 5th*at 7:00pm, *2:00pm matinee also
- Winter Lab: *Improvisation Comedy Show* – February 10th and 11th at 7:00pm
- Spring Play: *The Foreigner* – April 7th, 8th, and 9th at 7:00pm
- Spring Musical: *Dessert Revue* – April 28th and 29th at 7:00pm

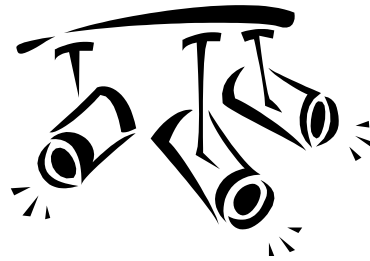

Procedures and Expectations of Mr. Shafer's Classroom

- Show respect for classmates, their work and ideas, school equipment/supplies, and your teacher.
- Students are expected in the classroom and in their seats when the bell rings or they are counted as tardy.
- I follow the 10/10 policy. No passes the first or last ten minutes of the class. No passes will be allowed to be used when I have a substitute.
- Projects/Performances must be presented or handed in on the day due unless legally excused or the student has received an extension from the teacher.
- Refusal to do a project/performance on the day assigned will result in an 'F', as will unlawfully missing class during the period the project/performance is due. Inappropriate language or behavior will also result in an automatic deduction of points for assignments, projects, and/or presentations.
- The student's grade on a delinquent assignment will drop 10% with each day after the work was due. Depending on the circumstances of the late work, it may be accepted and graded. Students can always complete the assignment for partial credit.
- All missed work must be handed in within the maximum of three days.
- Respect the equipment in the classroom, Auditorium, and Drama Theater.
- Anyone caught unsupervised, or without teacher permission, in the Auditorium, Drama Theater, or Scene Shop will be written up and sent to an administrator.
- No food, drink, or gum will be allowed in the Auditorium or Drama Theater.
- Guidelines found in the Student Handbook and the Rules of Conduct will be enforced.

Grading Procedure:

Assignments will vary in points according to the level of difficulty. These assignments include, but are not limited to the following: individual and group presentations, writings, critiques, quizzes and performances. To calculate your percentage, take the total number of points received and divide by the total number of points possible. Points will be rounded up to the nearest whole number. To determine your letter grade, find the percentage on the scale below:

100-90% A, 89-80% B, 79-70% C, 69-60% D, 59-0% F

Extra Credit:

A student may earn extra bonus points for attending any **live stage** performance at Olathe East or in the community during the semester. A student who participates in such a production is eligible for additional bonus points. These may be professional or amateur productions. To receive credit one must provide a verbal critique of the production for the class and supply a ticket stub and/or program of the event. Extra credit will not apply to the two performances required each semester.
